Morley Circuit**

**July/August 2026**

*From Rev'd Nick Cutts:*

I write this on Conference Sunday following the induction yesterday of the Reverend Mark Slaney as the President of the Methodist Conference and Caroline Stead as Vice-President. They are focusing on the words of sorrow and joy for this year. The President commented in his address that he resisted these words from being identified too strongly as a theme. He likened them more to grid references on a map or compass bearings, giving a direction of travel or ingredients within bread, with unique flavours of lives and places across the world with all their bitterness and sweetness. And as June closes and July opens, I am mindful of sorrow in our midst in this Circuit. On the morning of Sunday 12<sup>th</sup> July Morley Central holds its final congregational service followed on the afternoon of Sunday 19<sup>th</sup> July by a circuit service there. Grief and sorrow are present both within the church fellowship and the wider community of Morley. I ask that as a Circuit we continue to hold the members of Morley Central in our prayers as they continue to come to terms with loss and as they find new homes of fellowship and as they continue their journeys of faith.

In many of our services for the month of June we have been looking at Philippians. This letter carries the nickname, 'the epistle of joy'. Sixteen times within it joy and rejoicing are mentioned. We often perceive joy as being happy and yet, Paul is writing this letter from prison-how could he be happy? Happiness is transient, something which can come and go, dependent on circumstances and mood whereas Paul's understanding of joy relates to his solidity of his confidence in Christ. He understands God as being constant in goodness and somehow, even if we cannot understand it, we can trust God in all things knowing that we are held wherever we are all the time. This does not make the situations we find ourselves in any easier or that we can even be positive about them, but from our previous experience and knowledge, the testimony of those around and who have gone before, the promise of Scripture then there is no reason that God should ever let us go.

We may find sorrow within the situations we are in, and we cannot be happy with them, but we can find that joy, in the knowledge that God is with us, holding us in all things and in that fact, may we be thankful. With every blessing, *Nick*

## **The Greatest Story Ever Told:**

Bear Grylls retells the gospel through the eyes of those who knew Jesus best— his mother Mary, Thomas, Simon Peter, Yohanan (friend) & Mary Magdalene. Their first-hand encounters bring the story to life with intensity, warmth, and deep reverence. At the heart of it all are Jesus' own words, taken directly from the Bible, letting the greatest story ever told speak for itself.

As a Circuit we are looking at different ways of exploring our discipleship together and we hope that we can all have chance to read this book, delve further into the life of Jesus and talk about it with others.

Copies are available to borrow from Resource Centre, along with a poster for churches to publicise this and to see how many of us have read the book. Materials to support discussions and study are also available.

**JULY:** It's Plastic Free July and this year we're thinking about laundry, a top source of microplastic pollution. Fibres from synthetic clothes (polyester, nylon, and acrylic for example) shed tiny fibres during washing and drying. These enter the sewage systems and are hard to filter out. Use a microfibre bag or ball to catch the fibres. *Learn more about reducing plastic pollution in the laundry process at*

**AUGUST:** Looking after wildlife in the heat. Times of drought and dryness can be dangerous for wildlife. Provide water for birds and insects - put a dish of water out to help wildlife stay hydrated. Insects, small mammals, birds, and even badgers, foxes, and deer could benefit. A stone in a plant saucer helps bees to perch and drink without drowning. These small actions make a big difference and are just some of the ways we can live out our calling to care for God's creation. *See our blog on looking after wildlife in the heat for more warm weather eco tips: [arocha.org.uk/looking-afterwildlife-in-the-heat/](https://arocha.org.uk/looking-afterwildlife-in-the-heat/).*
